July 13, 2010  
8:30 am—4:00 pm

Casselton, ND

Who should attend the Youth Summit?  
Students ages 13-18 who want to get involved and make a difference!

*"They got lips? WE want them!"*

This is a quote found in documents of Big Tobacco meetings. They target kids as future customers. Isn't it time we do something about it???

## **EDUCATE. MOTIVATE. ACTIVATE.**

~Empowering Youth to Make Positive Change~

Students will use hands-on activities to learn how to expose the tobacco industry and its lies. At the same time, students will gain confidence in speaking to policy makers about positive changes *they* can make in their communities and schools.
